

2021 SA Rally Presentation & 2022 Season Launch - *Update*

Planning is well under way for this exciting event to celebrate the 2021 season and launch the new season for 2022.

The SA Rally Panel is yet to fully finalise the details, but we are currently planning a family-friendly evening at the Mount Gambier Golf Club on Saturday 29th Jan 2022. Discussions are also underway to hold a short test and family day at SEAC Park on the Sunday if possible.

Saturday evening will combine the presentation of awards and trophies for the 2021 season with the announcement of the events, series and championships on offer in 2022 as well as our valued 2022 sponsors.

We're aware this will require quite a journey for many Adelaide-based competitors, but the Panel believe holding this event in Mount Gambier in 2022 is a fitting way to recognise the south-east contingent who are such great supporters of rallying in SA.

The SEAC team has hosted rounds of the SARC in 2020 and 2021 (in challenging circumstances) and competitors from the area have competed and succeeded at many SA Rally events in 2021. This same group have been great supporters of the award/launch events held in recent years travelling en masse to Adelaide to attend.

The Panel expects to confirm final plans in the next couple of weeks and we hope that announcing these details today will allow as many people as possible to make plans to attend.

So pencil in the weekend of Jan 29th/30th and stand by for more details very soon!
