IMPORTANT NOTE

Due to a possible issue with the online registration process, the deadline for competitor SARC and SARS registrations for Round 2 (Copyworld Walky 100) has been extended to 7:45am on Sunday 18th September.

The above Competition standings awards points to all competitors who were registered as at 5pm today (Tuesday 13th September).

Anyone who competed in Round 2 and is not shown in these Championship standings has until 7:45am on Sunday 18th September to register. If necessary, these Championship standings will be revised and republished on Monday 19th September.

Competitors (drivers and co-drivers) who have entered the SARC component of the MSS Safety Rally Barossa and are currently not registered for the SARC are reminded they *must* register prior to the start of competition to be eligible for Championship points at this event - and future events in 2022.

When registering, please ensure you receive a confirmation email advising your registration was successful. If you do not receive this confirmation - please email results@sarally.net.au immediately.
