Business Arising

SEAC trophies need to be paid for, this request has been ongoing for several months.

National Motor Museum Birdwood – Interest and freshness is top of mind, cars and trophies to be refreshed every 6 months. Working group to present to museum after August 15th.

2022 SA Rally Awards – to be held Saturday November 19th at National Motor Museum Birdwood. 11.30am presentation followed by a BBQ lunch. Fee for lunch discussed ranging from \$10-\$20 BYO alcohol.

2023 SA Rally Launch – planning for a Saturday in 2023 before season starts, dates suggested March 18 or 25, April 1 or 15 at Mid Murray Motorplex to include a practice day. Would be good to try and line up with an event on the Sunday being Khanacross/Autocross.

Trophy Fund - Autocross and Rally pay the same amount, autocross should be ½ the rally payment.

Walky 100 – slight course change, officials are down but ok, QR check in codes for officials, future events competitors may need to bring officials.

Course Checkers - Aaron Bowering licence # 9898360 and Kevin Raedel licence # 9877109 to become course checkers while guided by previous course checkers. All in favour.
